

Blessed is the One

Plant me deep, rooted by the stream
Keep my leaves evergreen
Keep me grounded, rooted in Your love
Help me know You're enough

Blessed is the one who's planted by the stream
Living water, fall afresh on me
Blessed is the one whose trust is in the Lord
Holy Spirit, place my hope in Thee

Draw me close, shield me from the heat
Guard my fruit from the drought
Keep me calm, rooted in Your peace
Help me know You are near

Blessed is the one who's planted by the stream
Living water, fall afresh on me
Blessed is the one whose trust is in the Lord
Holy Spirit, place my hope in Thee

My heart is deceitful above all things
Carelessly broken and depraved
One day I'm blessed, but the next I'm cursed
My heart yearns to love You, but I put myself first
Search and know me, examine my thoughts
Renew what's broken; restore what's lost
Bring me back to the water
Keep me rooted in You

Blessed is the one who's planted by the stream
Living water, fall afresh on me
Blessed is the one whose trust is in the Lord
Holy Spirit, place my hope in Thee

Jesus, keep me planted by the stream
