

As I Lay Down to Rest

Verse 1

As I lay down to rest,
I feel Your comfort and peace.
You alone watch over me,
I'm safe in Your arms.

Verse 2

I will not fear the darkest night,
No evil shall befall me.
For Your angels guard my sleep,
Their hands bear me up.

Verse 3

You hold me fast in love's embrace
For You know me by name.
You'll protect and shield my dreams,
There's refuge in Your wings.

Verse 4

And when I enter glory's rest,
I will find eternal peace,
For Your presence shelters me,
Forever in Your arms.
